| <b>Information on Courses offered to Interational Students</b> | <p>The Faculty of Theology offers a complete post-graduate programme of Doctor in Theology (Th.D.), in German and in English and a post-graduate programme of Doctor in Philosophy (Ph.D.) in English. The faculty doesn't offer any bachelor or master degree studying programmes in English and German languages. Anyway, it offers several courses which are taught primarily in English, German, (but also in Italian, Spanish etc.). There are also some courses taught in Czech in which a lecturer can provide English or German materials and students will be expected to familiarise themselves with the materials and fulfill the requirements such as a presentation, written paper etc. Our courses cover four main areas of study: Philosophy, Theology, Leisure Time Education and Social Work.</p> <p>You can consult the list of these courses (not exhaustive) in <a href="#">STAG system</a>. Please click on COURSES and select UNIT ABBREVIATION (KTEO - courses on theology, KFI - courses on philosophy and religious studies, KPD - courses on pedagogy and free time education, KCHP - courses on social work, counselling and psychology, OJA - courses on languages, OPR - courses on praxis) and select the INSTRUCTION LANGUAGE (English, German, Spanish, Italian) and press SEARCH. You will find the list of courses taught in that language at the faculty departments. In case you do not fill the unit abbreviation and will select only the INSTRUCTION LANGUAGE you will see the courses offered by the whole university (it's other <a href="#">faculties</a>). You may also contact the International Relations Vice-Dean's Office in case you need more information: <a href="mailto:purova@tf.jcu.cz">purova@tf.jcu.cz</a>.</p> |
